

Not just a tool for your clients.

Control your inbox

Stop being copied on every email between clients and their co-parents. View their communication and activity on OFW on your own timeline.

Provide support when needed

With your OFW practitioner account, you can empower clients to find their own solutions, see when it's time to step in and safeguard against coercive control.

Straightforward reporting

The different tools on OurFamilyWizard keep client communication organised, so compiling records is always simple and efficient.

Court-approved tools, improved family outcomes.

The Honourable Diana Bryant

FORMER CHIEF JUSTICE | FAMILY COURT OF AUSTRALIA

"The services provided by OurFamilyWizard are beneficial in so many ways. All of these things make separation and parenting easier and **remove disputation and the need to return to Court.**"
